CATALOGUE

 **Starr**® PREMIUM QUALITY *Memoris*

OUR MAIN ADVANTAGES

**Possibility to monitor the production process.
Reliability. Favourable prices. High-quality products.
Fast shipping - just in time.
Good location: Southeast Europe. No MOQ**

We already produce for our partners from:

We are Your printing solution!

The category of our standard products includes: A4 and A5 notebooks with soft cover, hard cover or spiral binding, A5, A6, B6 note pads, box files, office supplies business books, forms and other related products.

We can provide an Eur. 1 Certificate for the goods from our own production.

In line with our customers' requirements, we are able to produce products which are different from our standard ones (different formats, different type of paper, with desired cover design).

Optimum has received the International Platinum Business Excellence Certificate for 2022, 2023, 2024 and 2025. We are ranked in the highest category with an AAA rating, position-ing us among the top companies in Serbia. Applied standards are: ISO 9001, FSC™ (FSC™ C111700) and BSCI. Our annual production reaches 4500 tons of paper products.

“OPTIMUM” has been founded in 1992. From its very beginnings its employees represent the greatest strength of the company. At the date of 01.06.2024. the company has 180 young employees who are supported by experienced and proven management team.

At our disposal we have a production plant of 8250 m² which is located in Central Serbia, 10 km from the highway E75. We are equipped with the very reliable and high-capacity machines: WILL MZAK, LA PIETRA, HORAUF BDM 20, MBO SF56, GTO 52PN, two ROLAND B1 sheet printing machines, KOLBUS soft cover line.

Thanks to the proper development policy “OPTIMUM” is today the leader in the field of production and sales of office and school

supplies for more than 2500 business partners in Serbia and abroad. We cooperate for many years with Metro Cash & Carry and Delhaize Group. High quality products, state of the art organisation, modern logistics and implementation of the latest technological solutions are the main characteristics of our company at this moment.

The “OPTIMUM” company is very concerned with the protection of the environment. Therefore, all waste from our production plant is recycled by our partners according to the highest standards.

Besides our great experience and tradition, we are relying on the implementation of the modern principles of the management, supported by strong marketing and PR activities. Clearly defined mission, vision and philosophy of the company are successfully implemented in all aspects of our business.

We have over 3 decades of experience and our primary objectives for the next period are increase of the production and sales, both in Serbia and abroad.
